Continue to the 2nd half of the registration form.
Conroe ISD will pay for each team that qualifies AND places in its division to advance to the next level of the competition according to the selection below. **Bonus Teams will be evaluated for advancement once those team names are released.** Due the limitations of large group booking, travel dates and times may not be ideal for each individual team. Conroe ISD makes every effort to arrange travel with the least impact on the students and their education. Due to the increase in the number of teams that qualify at the Global level, CISD will likely utilize charter buses to go to Knoxville, TN.

Should a team wish to modify the selection below in the event of qualification for the Global Tournament, the Team Manager(s) must notify Gifted Programs by **12:00 noon on the Monday following the State Tournament** and submit documentation that campus administration and all team parents agree to the requested change. Notification of changes after this point may result in the team being responsible for refunding any fees or costs incurred by the district as a result of the modification.

**PLEASE SELECT ONE OF THE OPTIONS BELOW:**

- **[ ] We elect to FULLY COMPLY with CISD’s arrangements and schedules for tournament registration, travel and lodging.**
  - In the event that the State Tournament is held in the Houston area, CISD will not make accommodations for travel and lodging.

- **[ ] We elect to MAKE OUR OWN ARRANGEMENTS AND PAY FOR travel and lodging, including any shuttles or other services provided by the district at the competition site.**
  - Conroe ISD will pay State Tournament registration for each qualifying team affiliated with the District.
  - Conroe ISD will pay Global Tournament Registration (which includes meals & lodging) for each place qualifying team and 1 Team Manager.

(By signing below, you are verifying that you have discussed this choice with your team parents. Any changes to this form must accompany written documentation that all team parents agree to the changes requested.)

1. **In order to receive a stipend, the individual must:**
   a. be a full-time CISD professional staff member managing a team at their assigned campus.
      i. Paraprofessionals are not eligible to receive a stipend due to the nature of their contract and job expectations.
   b. attend the annual Team Managers’ Training.
   c. complete all phases of competition at the level for which a stipend is requested.
   d. manage a minimum of one team.

2. **Team Managers are not eligible to earn GT continuing education hours for managing a team.**

3. **If a Team Manager shares responsibility at any time with another Team Manager eligible for a district stipend, the one stipend must be split with that other Team Manager.** For example, if two Team Managers, eligible for stipends, share responsibility for many teams, each Team Manager will receive 50% of a full stipend. Only when an eligible Team Manager takes full responsibility for a team and abides by the other requirements, will they receive the full stipend.

4. **Instant Challenge Team Managers are eligible for stipends if they are responsible for the instant challenges for four or more teams on their campus.** They must document at least 2 hours of practice outside of the school day for each team that they coach. These hours are calculated from the formation of the team up to their campus elimination or the Regional Tournament. The school day refers to any part of the school day after the time that school is in session up to the time that the students are dismissed. This includes lunches and conference periods. They must be in attendance and working with the students at the Regional Tournament.

5. **Instant Challenge Team Managers are not eligible for stipends/compensation above Regional Competition.** If sponsors are needed for the other levels of competition, interested Instant Challenge Team Managers will be given priority. However, they do not automatically move up with the teams.

6. **The building principal must submit the names of all qualified Team Managers on the designated form (see Appendix II) to the Gifted Programs Department by the due date stated each year or stipends will NOT be paid by Gifted Programs.**

7. **No stipends will be paid to an eligible Team Manager that is managing a team without an official membership in Destination Imagination.**

8. **Only one Team Manager per qualified team will be eligible for travel compensation at the global level.** No other sponsor, team manager, etc. will be reimbursed for travel related expense.

**BASED ON COMPLIANCE WITH THE CRITERIA ABOVE, A PROFESSIONAL CISD EMPLOYEE MANAGING ONE OR MORE TEAMS WILL EARN A STIPEND IN ACCORDANCE WITH THE BREAKDOWN BELOW:**
